From the heart of nature to our products

Sage

Salvia Officinalis

Recognized for its earthy, slightly peppery character. A classic ingredient or sausages, poultry, meat preparations, stuffings and savoury blends.

WHOLE DRIED SAGE

RUBBED SAGE

GROUND SAGE

CRACKED SAGE

Oregano

Origanum Vulgare

Delivers a warm, bold flavour that defines many culinary formulations. A key ingredient for pizza, tomato sauces, marinades and Mediterranean-style foods.

WHOLE DRIED OREGANO

RUBBED OREGANO

GROUND OREGANO

Rosmary

Rosmarinus Officinalis

Its pine-like notes bring freshness and intensity to roasted foods, poultry, potatoes, bakery recipes, marinades and spice mixes.

WHOLE DRIED ROSEMARY

RUBBED ROSEMARY

GROUND ROSEMARY

Winter Savory

Satureja Montana

Known for its peppery, slightly spicy character. Traditionally paired with legumes and increasingly used in savoury blends, meat preparations and sauces.

WHOLE DRIED SAVORY

RUBBED SAVORY

GROUND SAVORY

Thyme

Thymus Vulgaris

Brings subtle herbal depth without overpowering a formulation. Especially suited to soups, broths, sauces, meat preparations and culinary blends.

RUBBED THYME

GROUND THYME

Levander

Lavandula Angustifolia

Offers delicate floral notes for more specialized applications, from herbal infusions and confectionery to bakery products and flavour formulations.

LEVANDER FLOWERS

GROUND LEVANDER

Relikaj

ABOUT US

Relikaj is one of Albania's leading producers of herbs and spices, combining cultivation, processing, steam sterilization, blending, and packaging in a single integrated facility. With every step managed in one location, we ensure complet traceability, consistent quality, and efficient production from field to finished product.

Our commitment to quality is supported by internationally recognized certifications, including BRCGS Food Safety, Organic EU & USDA, Rainforest Alliance, Halal, Kosher, Sedex, EcoVadis, HACCP, and FDA registration, making Relikaj a trusted partner for customers worldwide.
